- Takes all reports of potential wrongdoing disclosures seriously. The response that Uniting makes, including the investigations process that it follows and the protections that it implements, will depend on the nature and circumstances of the relevant disclosure. All reports will be carefully considered, and a decision will be made as to whether they should be investigated in line with Uniting's investigation processes.
- Is committed to making sure that all disclosures will be treated confidentially, and appropriate protections will be available to eligible whistleblowers, including their right to be safe from any form of detrimental conduct resulting from a disclosure under this policy, such as maintaining disclosers confidentiality to people involved.
- Will keep appropriate records of all disclosures, any inquiries, investigations and their outcomes, and any decisions or recommendations made, ensuring appropriate security is maintained.
- Representatives who intentionally make false reports may be subject to disciplinary action.
