## Acceptance of a funded 3 & 4 year old or second year of kindergarten program place

### Important information regarding your child's 3 or 4-year-old kindergarten year.

The Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. The funding is a contribution towards meeting the cost of the kindergarten program.

Your child can only be funded for a kindergarten place at one service at any one time. Your child can only attend two years of kindergarten, unless your child is assessed as being eligible for a second funded year of four-year-old kindergarten approved by your child's kindergarten teacher.

This year, your child is enrolled to attend our kindergarten program and we will be claiming funding for your child on your behalf.

If your child will be attending another children's service that offers a funded kindergarten program, you must tell that service we will be claiming funding for your child.

As referenced in the Uniting Enrolment and Orientation policy, your child may be eligible for Kindergarten Fee Subsidy (KFS) or Early Start Kindergarten (ESK).

Please ensure you read the [Fee Policy](#) and notify us if you believe your child may be eligible for the KFS or ESK.
