Executive Summary

Uniting is a not-for-profit community organisation committed to working with the most vulnerable and disadvantaged in our communities. Fees charged by Uniting Early Learning services will go towards the operational costs of program delivery to ensure the service remains viable. Any income generated is used to further the mission of the organisation and will not be for individual gain. Fee levels are set by the Approved Provider each year on the completion of an annual budget to enable services to provide quality education and care and fulfil service and funding agreements. Application of fees across the programs provided by Uniting Early Learning will be equitable and non-discriminatory and be attuned to minimise financial barriers to access services.

The fee schedule, payment and collection arrangements will be documented and explained to families before or during the enrolment process and a schedule of fees or a *Complying written arrangement (CWA)* (refer to *Attachment 14b*) will be provided at this time. To accommodate families' cultural backgrounds, an interpreter may be required to minimise communication barriers and maximise understanding of the roles and responsibilities of all parties.

Fees will be reviewed on an annual basis with 14 days of any notice of any change to fee schedule provided.

Attachment 14b: Fee information for families

How fees are set

As part of the budget development process the service takes the following into account when setting fees for programs:

1. the financial viability of the service
2. the level of government funding provided for the program, including any subsidies and concessions
3. the availability of other income sources, such as grants
4. reasonable expenditure in meeting agreed program quality and standards
5. the requirements of State and Commonwealth Government service and funding agreements

Schedule of fees and charges

A schedule of fees and charges or a *Complying Written Arrangement* (CWA) for the program in which the child is enrolled will be provided to parents on enrolment.

Other charges

Other charges levied by the service are included on the *Schedule of fees and Charges*.

Invoices, receipts and collection of fees will be in accordance with the service's *Fee procedure*.

These may include:

Late collection charge:

It is the responsibility of the parents to ensure their child is collected at the end of the session or prior to the service closing. If the parent does not contact the service to advise of unavoidable delays in collecting their child, a fee may be imposed. If the parent continues to be late in collecting the child, a late fee will be imposed

The long day care and kindergarten late collection fee is \$10 for every 10 minutes. Parents will be invoiced separately from their fees and Child Care Subsidy will not be applied. The responsible person and family will sign the late collection form, which will be considered and authorised by the person in day-to-day charge of the service

Fundraising

Fundraising activities are an additional way the service can raise funds for specific purposes. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together

Subsidies

For kindergarten programs in Victoria, the Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a three and four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.
