About Uniting

Uniting Vic.Tas is the community services organisation of the Uniting Church. We've been supporting people and families for over 100 years. We work alongside people of all ages in local communities in Victoria and Tasmania. Our services reach to Albury-Wodonga in the north, Mallacoota in East Gippsland, the Wimmera region in the west, and across Tasmania.

We empower children, young people and families to learn and thrive. We're there for people experiencing homelessness, drug and alcohol addiction or mental illness. We support people with disability to live the life they choose. We assist older people to maintain their independence and enjoy life. We provide opportunities to access training and meaningful employment. We're proud to welcome and support asylum seekers to our community. We work to empower people with the information, skills and tools they need to live a healthy, happy life.

As an organisation, we work in solidarity with Aboriginal and Torres Strait Islander people as Australia's First Peoples and as the traditional owners and custodians of this land. We celebrate diversity and value the lived experience of people of every ethnicity, faith, age, disability, culture, language, gender identity, sex and sexual orientation. We welcome lesbian, gay, bisexual, transgender, gender diverse and non-binary, intersex, and queer (LGBTIQ+) people at our services. We pledge to provide inclusive and non-discriminatory services.

Our purpose: To inspire people, enliven communities and confront injustice

Our values: We are imaginative, respectful, compassionate and bold

1. Position purpose

The role will support clients to return, or progress to independent living by delivering psychosocial support.

2. Scope

Budget: Nil

People: Nil

3. Relationships

Internal

Position Description

Mental Health Recovery Worker

External

- Area mental health service teams and other community services
 - Partners at Ballarat Health Services
 - Clients and their families and supports
-

4. Key responsibility areas

Service delivery

- Engage with clients to develop trusting and professional relationships that support clients to reach their recovery goals.
- Utilising a Recovery framework, work collaboratively with clients, carers, family and other supports to identify their needs, set goals and develop a plan to meet those goals and regularly review progress towards their identified goals
- Collaborate as a member of the Early Intervention Psychosocial Support Response (EIPSR) Team in the delivery of Psychosocial Community Supports. A variety of psychosocial supports are provided to clients and/or carers, individually and in groups, to achieve the goals of the clients and the program
- Effectively manage a caseload as required by demands of the program ensuring that clients and carers are provided with timely services in keeping with agreed assessments and Individual Recovery Plans, enabling step-up-or-step-down care appropriate to client needs
- In consultation with the Team Leader, client, carers and family; assess, design and review the client's recovery plan.
- Collaborate with other supports in the planning of comprehensive support, risk management, crisis management and exit plans with the clients individual Recovery Plan/Support Plan
- Encourage and support clients to access and remain engaged with his/her clinical mental health, psychosocial rehabilitation, physical health care and social support services.
- Provide direct practical support to clients to support development/maintenance of independent living skills
- Assist clients to resolve and/or reduce barriers to stable self-care with low intensity community supports or access higher intensity/duration supports to achieve therapeutic outcomes
- Assist clients to participate in recreational activities and the cultural life of their community by supporting them to develop interpersonal skills
- In consultation with the Team Leader and team members plan and implement structured groups and activities for self-development, which meet the objectives of the recovery framework.
- Work closely with clients to support them with applications to the NDIS where a client could be eligible for NDIS funding.
- Ensure that Exit Planning is discussed with clients at commencement of services to ensure clients are aware of program limitations and to ensure recovery practices are aligned with the parameters and timeframes of the program
- Ensure services are delivered in compliance with relevant accreditation, Program Guidelines, standards and policies, and that service targets are met.
- Work effectively and authentically as part of a team in assisting clients to engage with the practices associated with the Recovery Model.
- Develop and maintain effective relationships within the team and with external stakeholders to ensure clients receive the highest quality, coordinated service.
- Develop and maintain effective community partnerships (in consultation with program management and leadership) which contribute to group program planning and service delivery.

Position Description

Mental Health Recovery Worker

- Cooperate closely with team members in order to ensure continuity of care and provision of a comprehensive service to clients.
- Develop and maintain effective partnerships with key stakeholders of the program to support a co-designed model and recovery focussed service
- Work to support collaboration with clinical mental health services and other key stakeholders to achieve program outcomes
- Actively participate in team meetings, decision-making processes and service planning sessions, supervision and staff development activities. Contribute to the further development of best practice by informing policies and project submissions
- Ensure that strong networks are established, maintained and measured by stakeholder satisfaction and achievement of program targets.
- Collaboration with clinicians and EIPSR team members is genuine and effective.
- Sufficient metrics are captured and monitored in order to provide accurate and timely reports.

Administration

- Collect, collate, and maintain client notes on Client Management System ensuring that all client notes are entered in a timely and accurate manner.
- All organisational accountability and reporting requirements are met in an accurate and timely manner. Complete regular reports as required.
- Complete all organisational accountability and reporting requirements in an accurate and timely manner.

Quality and risk

- Actively participate in regular supervision processes, staff meetings, program planning, professional development sessions and staff training as required. Participate in annual Individual Performance and Development Review.
- Contribute to an inclusive workplace environment and culture which supports diversity, develops teamwork and ensures the provision of quality services for clients. Participate in regularly evaluating the effectiveness of the service in consultation with clients.
- Contribute to Continuous Improvement activities, accreditation processes and quality improvement processes.

Personal accountability

- Compliance with Uniting's values, code of conduct, policies and procedures and relevant government legislation and standards where relevant.
- Cooperate with strategies to actively ensure the safety, protection and well-being of children who come into association with us.
- Ensure appropriate use of resources.
- Work collaboratively with Uniting (Victoria Tasmania) employees and external stakeholders in accordance with Uniting's values and professional standards of behaviour.
- Actively participate in initiatives to maintain, build upon and promote a positive and collaborative workplace.
- Identify opportunities to integrate and work collaboratively across teams.
- Take reasonable care for your own health and safety, and health and safety of others (to the extent required).
- Promote a positive safety culture by contributing to health and safety consultation and communication.
- Promptly respond to and report health and safety hazards, incidents and near misses to line management
- Attend mandatory training sessions (i.e. equal employment opportunity, health, and safety) and mandatory training specific to position.
