About Uniting

Uniting Vic.Tas is the community services organisation of the Uniting Church. We've been supporting people and families for over 100 years. We work alongside people of all ages in local communities in Victoria and Tasmania. Our services reach to Albury-Wodonga in the north, Mallacoota in East Gippsland, the Wimmera region in the west, and across Tasmania.

We empower children, young people and families to learn and thrive. We're there for people experiencing homelessness, drug and alcohol addiction or mental illness. We support people with disability to live the life they choose. We assist older people to maintain their independence and enjoy life. We provide opportunities to access training and meaningful employment. We're proud to welcome and support asylum seekers to our community. We work to empower people with the information, skills and tools they need to live a healthy, happy life.

As an organisation, we work in solidarity with Aboriginal and Torres Strait Islander people as Australia's First Peoples and as the traditional owners and custodians of this land.

We celebrate diversity and value the lived experience of people of every ethnicity, faith, age, disability, culture, language, gender identity, sex and sexual orientation. We welcome lesbian, gay, bisexual, transgender, gender diverse and non-binary, intersex, and queer (LGBTIQ+) people at our services. We pledge to provide inclusive and non-discriminatory services.

Our purpose: To inspire people, enliven communities and confront injustice

Our values: We are imaginative, respectful, compassionate and bold

1. Position purpose

The aims of the Early Intervention Psychosocial Support Response (EIPSR) Program are to:

- Foster independent living and recovery for clients of the public clinical mental health service system who have a severe mental illness and associated psychiatric disability
- Reduce the likelihood that clients with a severe mental illness will develop lifelong disability due to their mental illness by intervening early, and
- Reduce avoidable need for more intensive acute mental health services by providing integrated treatment and psychosocial recovery care in the community

The role will support clients to return, or progress to, independent living by delivering psychosocial support to:

- Improve their capacity for self-management of their mental illness
- Develop the knowledge and confidence they need to make decisions and choices about their support needs
- Enhance adaptive coping skills and decrease self-harming behaviour
- Learn or relearn skills, and develop confidence, required for activities of daily living
- Improve their social and relationship skills and develop/strengthen family and social networks

Position Description

Transition Recovery Specialist

- Develop and consolidate their links with educational, vocational training and employment opportunities
- Adopt a healthy lifestyle and minimise/reduce behaviours that are, or likely to be, harmful
- Access and engage with the range of supports they need, such as, natural supports, clinical treatment, physical healthcare and housing services, that can be sustained on discharge from the program. If eligible, become an NDIS participant.

2. Scope

Budget: nil

People: nil
