The Hearing Voices Approach Training

3 Days

July
14, 15, 21
Online

This course is the foundation to the *Hearing Voices Approach*. The first 2 days will give you a solid understanding of applying the approach in many practical settings, either for yourself, in your work as a mental health professional or in your family/home environment.

September
15, 16, 22
Online

The final day covers *Voice Profiling* - a set of accessible strategies that help build greater awareness and understanding of a person's voices. By the end of this training you will have more tools & confidence to work with people's voice hearing experiences.

November
